PRE-PURCHASE AND INSURANCE MARINE SURVEY WORK ORDER

A signed work order must be completed and returned with full payment prior to the survey.

Includes a complete detailed visual inspection of all accessible areas of the vessel and inspection of all marine systems including structural, propulsion, electrical, plumbing, heating and air conditioning, generator, shore power, etc., and operational tests if possible. It will include a comprehensive written report and an appraisal of the surveyor's opinion of the fair market value of the vessel. Any special services will be charged by the hour or part thereof over and above the survey fee.
